

# MARCH TO STOP THE CASINO!

**Meet at Lippman Plaza in Flushing**  
The plaza across Flushing Commons on 39th Ave  
between Main Street and Union Street

**FEBRUARY 3RD 12 PM**

Let's stop billionaire Steve Cohen and Senator Jessica Ramos from giving away public land to build a casino that will destroy our families for generations. We demand that they support the creation of a public park for our community—Phoenix Meadows! Scan the QR code for the petition and to RSVP.
